Subject: Saltworks-Cargill

San Jose Mercury News Op-Ed by local advocate on Saltworks/Cargill yesterday, follow up to earlier SJM story:

http://www.mercurynews.com/columns/ci_26382497/whatever-federal-agencies-decide-any-saltworks-plan-redwood

This is not accurate, right? There is no decision for us to review yet, so wrong on both counts?

Apparently, the Environmental Protection Agency thinks something is amiss too, **and is reviewing the Corps' decision**, in part because of "issues raised by the Corps' proposed approach."
